

## Provision of the 14 Youth Elements

Local Workforce Development Boards must design WIOA Youth programs that meet the following guidelines [WIOA § 129(c)(1); 20 CFR 681.420; TEGL 21-16]:

- The local area must follow the design framework described in the local plan concerning how the 14 program elements will be made available within that framework.
- If a youth applies for enrollment in a WIOA Youth program and either does not meet the enrollment requirements for that program or cannot be served by that program, the Youth program provider must ensure that the youth is referred for further assessment, if necessary, or referred to appropriate programs to meet the skills and training needs of the youth.

Fourteen program elements **must be available to all Youth participants**. WIOA Youth funds are not required to be spent on these services. Local programs are encouraged to partner with existing local, state, and national entities that can provide program elements at no cost to the local Youth program [20 CFR 681.460(c); 20 CFR 681.470]. The local area, however, must ensure that **if a program element is not funded with WIOA title I Youth funds, the local program has an agreement in place with a partner organization to ensure that the program element will be offered**. The LWDB must ensure that program elements provided by other entities are closely connected and coordinated with the WIOA Youth program [20 CFR 681.470].

Element	Providers/Partners/Resources
<p><b>1. Tutoring, study skills training, instruction, and dropout <u>prevention</u> strategies that lead to the completion of a secondary school diploma (or equivalent).</b></p> <ul style="list-style-type: none"> <li>• Dropout recovery is listed under Program Element 2</li> </ul>	<p><b>Augusta High School</b> 870-347-2515 1011 Main Street Augusta , AR 72006</p> <p><b>Bald Knob High School</b> Paula Reynolds 501-724-3273</p>
